INDEPENDENT AUDITORS' REPORT

Board of Directors
American Bankruptcy Institute
Alexandria, Virginia

We have audited the accompanying financial statements of American Bankruptcy Institute, which comprise the statements of financial position as of December 31, 2016 and 2015, the related statements of activities and changes in net assets and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Board of Directors
American Bankruptcy Institute

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of American Bankruptcy Institute as of December 31, 2016 and 2015, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

AMERICAN BANKRUPTCY INSTITUTE
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2016 AND 2015

NOTE 1 ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES

Organization

American Bankruptcy Institute (the Organization) was founded in 1982 as a non-profit and nonpartisan educational institution. The Organization provides a multi-disciplinary forum for the exchange of ideas and information on insolvency, reorganization, and bankruptcy issues. Through the Organization, accountants, attorneys, bankers, court clerks, consumer specialists, credit managers, finance and insurance executives, judges, legislators, professors, and others pursue mutual business, professional, and academic interests. In fulfillment of its mission to provide information to its members, journalists, Congress and the public, the Organization is engaged in numerous educational and research activities, as well as the production of a number of publications both for the insolvency practitioner and the public.

The Organization's major programs consist of the following:

Conferences and Meetings

The Organization holds two national membership meetings and many regional conferences throughout the year. These meetings offer a concentrated opportunity for the exchange of ideas, discussions of findings among colleagues, and continuing legal education.

Publications and Other Sales

The Organization produces various publications and journals that represent its commitment to the ongoing enhancement of quality education on insolvency topics. Additionally, the Organization maintains a comprehensive internet site covering insolvency issues and providing instant updates on legislation, new filings, Supreme Court cases, bankruptcy filing statistics, and daily bankruptcy news.

Membership Services

The Organization provides ongoing services to its members in order to provide a broad, in-depth resource of insolvency issues and related services.

Research Projects and Grants

The Organization provides funding and scholarships to enhance bankruptcy research and education.

CARE Program

The Credit Abuse Resistance Education (CARE) program seeks to educate high school and college students on the responsible use of credit and other fundamentals of financial literacy, as well as the potential consequences of poor money management and credit card abuse. The program was founded by now-retired Western District of New York U.S. Bankruptcy Judge John C. Ninfo II. In December 2012, the original corporation was dissolved and temporarily became a program under the Organization. In order to focus more on the original mission and to distinguish itself for fundraising purposes, CARE reincorporated as a separate corporation in August of 2015.

NOTE 1 ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Basis of Accounting

The Organization prepares its financial statements on the accrual basis of accounting. Accordingly, revenue is recognized when earned and expenses when the obligation is incurred.

Basis of Presentation

Net assets and revenue are classified based on the existence or absence of donor-imposed restrictions and reported as follows:

Unrestricted Net Assets

Net assets that are not subject to donor-imposed stipulations. Includes undesignated net assets available for general operations and the Board Designated Reserve, which consists of unrestricted net assets designated by the Board of Directors for research and educational activities.

Temporarily Restricted Net Assets

Net assets subject to donor-imposed stipulations that will be met either by actions of the Organization and/or the passage of time.

Cash and Cash Equivalents

For financial statement purposes, the Organization considers all highly liquid debt instruments with initial maturities of ninety days or less to be cash equivalents. From time to time the Organization maintains cash balances which may exceed Federally insured limits. Management does not believe that this results in any significant credit risk.

Investments

Investments are stated at fair value and consist of certificates of deposit, money market funds, mutual funds - bonds, exchange traded funds, equities, and bond securities. Realized and unrealized gains or losses are included in investment income in the statements of activities and changes in net assets.

Fair Value Measurements

The Organization accounts for its financial instruments as well as certain assets and liabilities at fair value. Fair value is defined as the price that would be paid in an orderly transaction, or exit price, between market participants to sell the asset or transfer the liability in the principal or most advantageous market for the asset or liability. Fair value is a market based measurement, not an entity-specific measurement, and should therefore be determined based on the assumptions that market participants would use in pricing the asset or liability.

**AMERICAN BANKRUPTCY INSTITUTE
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2016 AND 2015**

NOTE 1 ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair Value Measurements (Continued)

The Organization is required by generally accepted accounting principles to categorize its financial instruments based on a three-level fair value hierarchy. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). If the inputs used to measure the financial instruments fall within different levels of the hierarchy, the categorization is based on the lowest level input that is significant to the fair value of the instrument. Financial instruments recorded on the statements of financial position are categorized based on the inputs to the valuation techniques as follows:

Level 1

Financial assets and liabilities whose values are based on unadjusted quoted prices for identical assets or liabilities in an active market that the Organization has the ability to access.

Level 2

Financial assets and liabilities whose values are based on quoted prices in markets that are not active or model inputs that are observable either directly or indirectly for substantially the full term of the asset or liability. The Organization has certificates of deposits and various bond securities classified at this level.

Level 3

Financial assets and liabilities whose values are based on prices or valuation techniques that require inputs that are both unobservable and significant to the overall fair value measurement. These inputs reflect management's own assumptions about the assumptions a market participant would use in pricing the asset or liability. The Organization has no investments classified at this level.

Accounts Receivable

Accounts receivable consist of amounts due to the Organization from sponsorships and the sale of advertising space in the American Bankruptcy Institute Journal. The Organization's management periodically reviews the status of these receivables for collectability, which is assessed on management's knowledge of the relationship with the customer and the age of the receivable. Based on these reviews and the nature of the receivables, management believes all accounts receivable are collectible and accordingly has not recorded an allowance for doubtful accounts as of December 31, 2016 and 2015.

Contributions Receivable

Contributions receivable consist of pledges individuals or companies have made to the Organization. The face amount of the contributions receivable is reduced by an allowance for doubtful accounts. The allowance for doubtful accounts reflects the best estimate of probable losses determined principally on the basis of historical experience and specific allowances for known troubled accounts. All accounts or portions thereof that are deemed to be uncollectible or that require an excessive collection cost are written off to the allowance for doubtful accounts (see Note 4).

AMERICAN BANKRUPTCY INSTITUTE
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2016 AND 2015

NOTE 1 ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Property and Equipment

Property and equipment greater than \$2,500 are recorded at the original cost and are being depreciated on a straight-line basis over estimated lives of three to five years. Leasehold improvements are amortized over the life of the assets or the remaining period of the lease, whichever is shorter.

CARE Grant

The amount on the statement of financial position represents a promise-to-give for the newly formed CARE entity (see Note 11). Promises-to-give are charged to operations at the time the intent is approved by the board of directors.

Deferred Revenue

Deferred revenue represents members' dues recognized over the applicable membership period or member dues received before the membership period, and income for conferences and meetings received in advance of the event.

Revenue Recognition

Conferences and Meetings

Conferences and meetings revenue is recognized when the event takes place.

Membership Dues

Membership dues are recognized as revenue over the applicable membership period. Membership dues collected in advance are included in deferred revenue.

Publications and Other Sales

Publication and other sales consist of advertising, publication sales and sponsorship revenue and are recognized when the publication is issued.

Contributions

The Organization recognizes all unconditional contributions received as income in the period received or pledged. Unconditional contributions are reported as unrestricted, temporarily restricted or permanently restricted depending on the absence or existence of donor stipulations that limit the use of the contributions.

When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities and changes in net assets as net assets released from restrictions.

AMERICAN BANKRUPTCY INSTITUTE
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2016 AND 2015

NOTE 1 ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Accounting Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expense during the reporting period. Accordingly, actual results could differ from those estimates.

Income Tax Status

The Organization is exempt from Federal income tax under Section 501(c)(3) of the Internal Revenue Code and is classified as an organization that is not a private foundation. However, the Organization is subject to tax on its unrelated business income activities (primarily advertising), and recorded expense for the years ended December 31, 2016 and 2015, of \$- and \$29,861, respectively, for unrelated business income taxes.

The Organization's income tax returns are subject to review and examination by federal and state authorities. The Organization is not aware of any activities that would jeopardize its tax-exempt status.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statements of activities and changes in net assets. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Reclassifications

Certain amounts in the 2015 financial statements have been reclassified to conform to the presentation in the 2016 financial statements. There was no effect on the change in net assets previously reported.

Subsequent Events

In preparing these financial statements, management has evaluated subsequent events for potential recognition or disclosure in these financial statements through April 7, 2017, the date the financial statements were available to be issued.

NOTE 8 BOARD DESIGNATED RESERVE

Board Designated Endowment Fund

The Board of Directors authorized the establishment of the Endowment fund in 1989 to provide an ongoing source of funding of research and education. Funds contributed to the Organization and designated for the Endowment Fund are unrestricted assets of the Organization, available for expenditure for any purpose authorized by the corporate charter, the By-Laws, and applicable law. Notwithstanding the unrestricted nature of the funds contributed to the Organization and designated for the Endowment Fund, such funds shall be kept in one or more accounts that are segregated from other funds of the Organization. The Research Committee is responsible for recommending and overseeing grants, subject to Executive Committee approval.

NOTE 8 BOARD DESIGNATED RESERVE (CONTINUED)

Return Objectives and Risk Parameters

Management of the endowment assets is designed to ensure a total return necessary to preserve and enhance the principal of the fund and provide a dependable source of support for current operations and programs. Therefore, the Organization's goal for its endowment fund is capital preservation and to minimize the loss of capital. The Finance Committee of the Board of Directors reviews the performance and diversification of the portfolio in relation to the Organization's Investment Policy.

Spending Policy

Expenditure of the principal of funds contributed to the Organization and designated for the Endowment Fund would require a 2/3 vote of the Board of Directors. Historically, the Organization has limited spending to earnings only and anticipates continuing to do so going forward.

NOTE 10 RETIREMENT PLANS

Defined Contribution Plan

The Organization maintains a defined contribution retirement plan under the Internal Revenue Code Section 403(b). Employees are eligible to participate following six months of service. The Organization matches up to the first 6% of an eligible employee's gross salary. For the years ended December 31, 2016 and 2015, the Organization incurred plan expenses of \$142,847 and \$129,776, respectively.

NOTE 10 RETIREMENT PLANS (CONTINUED)

Deferred Compensation Plan

The Organization established deferred compensation plans under Sections 457(b) and 457(f) of the Internal Revenue Code (the IRC) during 2011 for the purpose of providing benefits to certain selected employees. The expense for benefits under these plans was \$16,935 and \$22,201 for 2016 and 2015, respectively. The assets in the 457(b) plan are held by the Organization, subject to the claims of its general creditors, until the employee becomes eligible for withdrawals as provided in the plan agreement. There were no distributions made from the plan in 2016 or 2015. The assets and the related liability have been reflected in the Organization's statements of financial position at December 31, 2016 and 2015. The deferred compensation plan assets are comprised of cash money funds and mutual funds; cost estimates fair value and historical cost, respectively.

NOTE 11 RELATED PARTY TRANSACTIONS

In August 2016, Credit Abuse Resistance Education (CARE) was approved as a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code. The Board of Directors is separate and apart from the Board of Directors of the Organization. CARE and the Organization entered into a management agreement effective January 1, 2016, whereby the Organization agrees to provide office space and management services to CARE for a monthly management fee of \$7,500. Total revenue recognized under this agreement was \$90,000 for the year ended December 31, 2016. As of December 31, 2016, amounts receivable from CARE totaled \$43,342 which included reimbursable pass through expenses (e.g., CARE Executive Director's salary).

In 2015, the Organization's Board approved a \$1 million grant to CARE for initial financial support. This grant is included in CARE program expenses on the statement of activities and changes in net assets for the year ended December 31, 2015, and is shown on the December 31, 2015, statement of financial position as a liability. This amount was subsequently paid to CARE in January 2016.

NOTE 12 COMMITMENTS

In December 2012, the Organization entered into an agreement, as subtenant, for an operating lease for space in Alexandria, Virginia. In accordance with the lease, the Organization received partial space rent-free and leasehold concessions valued at \$166,928, and is subject to a 3% escalation clause for part of the space. The Organization has recorded rent expense for this space on a straight-line basis and established a deferred rent liability to be charged to rent expense over the life of the lease.

In March 2016, a new lease of the same office space was signed directly with the landlord of the building. Tenancy will commence on April 2018 and continue until October 31, 2023 (subject to renewal). In conjunction with this new lease, the Organization received a cash incentive from the landlord totaling \$688,578. This amount was added to the deferred rent liability and will be amortized to rent expense on a straight-line basis once the new lease term commences.

NOTE 12 COMMITMENTS (CONTINUED)

As of December 31, 2016 and 2015, the total deferred rent liability was \$859,021 and \$285,173, respectively.

The Organization is also obligated as a lessee under a non-cancellable operating lease, expiring in 2018, for equipment.

The following is a schedule by years of future minimum rental payments required under the operating leases that have an initial or remaining non-cancelable lease term in excess of one year as of December 31, 2016:

<u>Years Ending December 31:</u>	<u>Office Lease</u>	<u>Other Equipment</u>	<u>Total</u>
2017	\$ 615,623	\$ 8,967	\$ 624,590

Total	<u>\$ 5,280,646</u>	<u>\$ 11,209</u>	<u>\$ 3,573,939</u>

Total rent expense for the years ended December 31, 2016 and 2015, was \$514,827 and \$514,757, respectively.

Employee Contract

The Organization has an employment agreement with its Executive Director through December 31, 2020. The terms of the agreement stipulate that, if his employment is terminated without cause during his employment, the Organization will continue to pay his salary for a period of nine months subsequent to the effective date of such termination.

Conference Facilities

The Organization reserves spaces for its conferences several years in advance. The contracts contain various performance requirements including penalties for cancellation of the events. As of December 31, 2016, the maximum contingency for liquidated damages is approximately \$2,474,000.

NOTE 13 CONCENTRATION OF REVENUE

During 2015, the Organization received a contribution from one donor representing 44% of total revenue for the year. There were no significant concentrations in revenue for the year ended December 31, 2016.
