Chapter 11 Cases

The 201 chapter 11 filings last week represented the highest weekly total in well over a year. However, nearly two-thirds of these cases were filings related to the filing by National Realty Investment Advisors, LLC, a real estate investment firm that is facing state and federal investigations. The company filed in the District of New Jersey on June 7 along with 132 related entities. Excluding related cases, filings last week were about the same as in 2021 and 2020 and were somewhat below filings in 2019 (pre-pandemic).
